the most of the partiesto this suit,

I knew Edward Baltzell, formerly of Frederick County, Maryland, deceased, he was my father, He died about the year 1858 in Brederick County Maryland, and left no will. he left a widow Elizabeth Baltzell who is dead. She died about 1865. The said Edward Baltzell left as his heirs at law the following children Viz--

A son, Wesley Baltzell, the present witness who is a widower.

A daughter, Julia Ann Rebecca Who married Theodore R. Barriek, and she died without a will on February 1914.

the left her husband Theodore R. Barrick who is over secenty years of age, and resides in Frederick County Md.

They had one child a daughter who married a man by the name of Bents. Mr, and Mrs. Bents are both dead having died before the death of mrs, Barriack.

They left three children Viz. Clyde Freeman bentz, Milvin Lamar Bentz and Harry Herman Bentz, all of who, are under 21 years of age.

The said Edward Baltzell, (my father) at the time of his death left another sonRobert coppage Baltzell, who moved to Ohiomany years ago, and died there in 1898 leaving a widow Sophia Susan Baltzell who is over six.y years of age and the following children as his only heirs at law, viz--

Laura Jane Stephens, a widow and Martha Washington, now the wife of Charles E. Guckes, all of whom are adults and reside in Dayton Ohio.

Said Edward Baltzell laft another son maned Simon Peter Baltzell who died in Chicago Ill., in the year 1884 of 1885, andwhose wife I am informed is also dead, as are also his children. This son and his wife made a deed of his interest in the property mentioned in these proceedings to Julia Ann Barrick before mentioned a copy of which is filed as exhibit C.

will state in this connection that my Wife and I also conveyed our interest in said property to the said Julia Ann Barrick by deed dated February 10th 1880, a copy of which is filed in this case as Exhibit B., but said deed was not put on record until a in the month of May 1914, and I had forgotten all about having executed such a deed in 1880 until my attention was called to it within the past month.

knew the property mentioned in these proceedings and it is not susceptible of divison without loss and injury among the parties, because it is a snall trace of about

1/8 acres, it was conveyed to my father by deed of which exhibit A., is a copy, filed
in this case.

It has one set of building on it and cannot be divided in kind. This property is worth about \$700.00
